Our Vision

The purpose and drive of this school is to create the leaders of tomorrow by implementing practical based learning and futuristic skills with the most excellent technological proficiency so that the child can function with clarity and efficiency in the modern world, Perhaps even more, importantly our school aims for one to inculcate spiritual moral, social and cultural values in the child.

Curriculum & Programs

Its Rio early years programme is one-of-a-kind preschool offering that celebrates children's curiosity, creativity and naughtiness. We believe children can shape their own learning when we let kids be kids. The program is a blend of the world-renowned Finnish curriculum, international pedagogical approaches, and Finnish technology localized for India to provide high quality early-childhood education.

The program aims to create a meaningful impact in India's early years education system by implementing the best educational practices from Finnish National Core Curriculum integrated with Indian national education policy with elements of Montessori and Reggio Emilia philosophies

FINLAND RANKS #1 FOR ITS EDUCATION SYSTEM

A DAY AT RIO INTERNATIONAL PRESCHOOL

**"My teacher gives a high five everyday!
She is my bestie!"**

A school must feel warm, welcoming and a safe space for children to want to explore and spend time in. The first step we focus on is on-boarding the kids with a happy face and a routine that helps them settle.

ARRIVAL

CIRCLE TIME

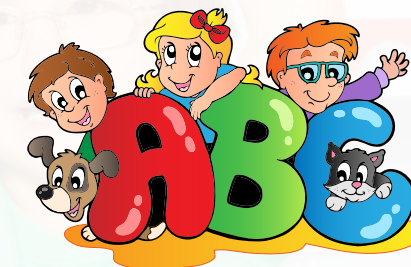

"I feel safe to share my feelings here"

It is not a chit chat session - it is structured and led by the teacher. There is an agenda to the circle time - based on the theme of the week.

THEME ACTIVITY

A DAY AT RIO INTERNATIONAL PRESCHOOL

"I enjoy working independently"

The philosophy behind using hands on activities in the classroom is to give students the chance to choose their own work and lead their own learning.

HANDS-ON ACTIVITIES

TRANSITION

"I feel seen and valued"

We smile and say good bye to our kids! We check how the day went by. Ask them what they are looking forward to when they get back home. Talk to them about the activity we expect them to do at home. Make them look forward to the next day back at school.

FREE PLAY

"Me and my friends enjoy learning through play. It's Fun!"

Children build their interpersonal skills and maintain friendships and connections during this time.
